

Mercy Neurodiagnostic Sleep Center

CPAP Compliance Clinic

FREE CPAP Compliance Clinic* for Patients struggling with CPAP/Bi-Level/AutoPAP/ASV

Physicians may order a free “CPAP Compliance Visit” through Intergy.

Patients will meet **One on One** with a Board Certified and Licensed Sleep Technologist. Issues addressed with patient are dependent on individual needs/complaints and also:

- Inspection of current PAP device, tubing and mask
- Education on proper care of PAP device and mask
- Review mask fit
- Desensitization with CPAP mask/pressures
- Review Compliance Data from DME
- Review Mercy sleep study results/benefits

A summary report will be sent to referring physician.

A compliance visit requires a negative COVID-19 screening 1-2 days before visit. Please fax COVID orders to Mercy Lab Fax at 319-339-3944
